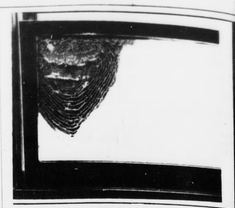
William P. Rogers, Secretary of State:

"It is wrong for the government to become so obsessed with security that civil liberties are violated."

It Weighs 16 Pounds!

It weighs 16 pounds - the canteloupe not the little boy. David Preston O'Brien, shown above, weighs forty pounds but the 16 pound canteloupe he is holding is really an armful for him. The big canteloupe was grown on the farm of F. P. O'Brien of Route 2, Appomattox, who is David's grandfather.

David is the son of Mr. and Mrs. Kelly O'Brien of Appomattox and he will soon be four years old.



"Unusual" Living Museum

Mr. and Mrs. B. A. Roach are providing their three children a living museum for the summer. This 16' x 14' hornet nest is attached to the den window. The hornets began the construction in early May and it continues to grow each day. Mrs. Roach says this is one window that will not be washed until after a freeze this fall.
